Commercial Proposal

To Whom it may concern:

Because of the number of enquiries for used cement plants which are not available on the market at the moment, we have drawn up a financing concept together with a Swiss project company and a German supplier of cement works.

We can offer you a new, turnkey cement plant on the following conditions.
This involves in each instance a new, turnkey cement plant corresponding to the customer's technical wishes and requirements which can be constructed at any location desired by the customer, also outside the country.

These plants are the product of a leading producer of German/Italian cement plants "Made in Germany/EU"

The sale will take place via a Swiss company (AG) which will only enter into sales discussions with potential buyers if the following documents and information's can be presented:

- Complete data of the potential buyer
- LOI (Letter of intend)
- Proof of capital in the amount of the capital needed
- Possible, documents about the property and authorizations
- Construction permit
- Mining rights (raw material) for min. 40 years
- Licence and authorization for min. 40 years

The customer will receive the relevant documents and information stepwise once the various documents
